## PROGRAM REPORT

Beryl Flom, Program Co-Chair

### Board Recommendations (simple majority vote)

- 1) Retain all current positions except remove the word “current” from the LWVSD City Government position: “LWVSD supports the ~~current~~ Council-Manager system of government.”
- 2) Issue for Education and Emphasis: Pursue a Citizens Charter Coalition and educate our members and the public on the City Charter and proposed changes before the election where Charter changes will be voted on in the year 7/1/07-6/30/08. Develop advocacy based on League positions and principles.
- 3) (does not require a vote) – Continue to educate our members and the public on Immigration issues as part of the LWVUS study with consensus due in February, 2008.

### Other Suggestions (three-fifths vote)

- 1) Study or Update
  - a) Update the City Government, City Manager, and Fiscal Management positions after re-looking at Council-Manager vs. Strong Mayor types of government. Include a look at the balance of power.
  - b) Update the Civil Service position to include privatization (1 Unit)
- 2) Issues for Education and Advocacy
  - a) Educate and advocate for the position on Parks as it relates to outsourcing/privatization
  - b) Educate and advocate for the position on Civil Service as it relates to outsourcing/privatization
  - c) Educate and advocate for public transportation, particularly to the north inland part of the City of San Diego.(2 Units)
  - d) Police pay.
  - e) Advocate for more funding for school counselors which would reduce the number of dropouts and help with other psychological/social issues.(minority)
  - f) Shelter and counseling for homeless.(minority)
  - g) Educate the public about what is happening with center city redevelopment. (minority)
  - h) Follow the Port District more closely and get more public input on waterfront development, particularly the Navy Broadway Complex.
  - i) Educate on the changes at the Port District implemented by the Department of Homeland Security (concern about U.S. ownership and management). (1 Unit)
  - j) Educate the public on what the Planning Department is doing. (minority)
  - k) Work to get rid of vending machines in schools. (minority)
  - l) Study developers’ loopholes in building affordable housing and work to eliminate them. (1 Unit)

**PROPOSED BYLAWS CHANGES, 6/2/07**

Article II. Purposes and Policy

Section 1. Purposes. The purposes of LWVSD are to promote political responsibility through informed and active participation of ~~citizens~~ in government, and to act on selected government issues.

**Explanation:** In Article II, Section 1, remove “of citizens” because the first three articles of the LWVSD bylaws must correspond to the first three articles of the LWVUS bylaws. LWVUS removed these words at the last Convention, 6/06.

Article III. Membership

Section 1. Eligibility. Any person who subscribes to the purposes and policy of the League shall be eligible for membership.

Section 2. Types of Membership. The membership of the LWVSD shall be composed of Voting Members and Associate Members. Only Voting local Members shall be Members within the meaning of Section 5056 of the California Nonprofit Corporation Law.

a. Voting Members. Members who are citizens and at least 18 years of age shall be Voting Members. Honorary Life Members are League members who have been members of the League for 50 years and are exempt from paying dues. ~~Paid Life Members are League members who have paid a lump sum for a life membership.~~

b. Associate Members. All other Members shall be Associate Members who pay dues but may not vote and are not eligible to serve on the Board, on the Nominating Committee nor as Delegates to any League Convention.

**Explanation:** Remove “Paid Life Members are League members who have paid a lump sum for a life membership.” from Article III, Section 2a because the first three articles of the LWVSD bylaws must correspond with the first three articles of the LWVUS bylaws. LWVUS dropped paid life members, although it is permissible. Kelly McFarland from LWVUS advised us to move this concept to Financial Administration (email, 3/13/07).

Article VIII. Financial Administration

Section 2. Dues. Annual dues shall be determined by the Board and approved by the LWVSD Members at their Annual Meeting and shall be payable by each Member (except Life Members) on July 1 of each year. Any recommendation for a dues increase must be included in the annual budget as described in Section 3. Budget. Life Members *and Paid Life Members (paid a lump sum for a life-time membership)* are exempt from further dues payment. Any Member who fails to pay dues within 60 days after they become payable shall no longer be a Member of LWVSD.

**Explanation:** LWVUS recommended adding Paid Life Members under finance.
