LEAGUE OF WOMEN VOTERS CHAMPION QUALITY PRESCHOOL

The League of Women Voters of San Diego (LWVSD) Education Committee has been instrumental in advocating for increased resources and support for quality preschool in San Diego County. LWVSD has hosted well-attended education forums focused on quality early childhood education and meets regularly with civic, business and community leaders. Most recently they have toured Children's Paradise Preschool and Educational Enrichment Systems' David and Jillian Child Development Center - both sites are located in Vista and are providers of First 5 San Diego's Preschool for All (PFA) program. Members are pictured below touring South Bay Union School District's VIP Village preschool.

LWVSD is a well-respected national organization dedicated to engaging citizens to participate in the democratic process by informing them of issues and encouraging them to vote. The League has concentrated on promoting early education over the past few years. Their relationship with the San Diego Child Care and Development Planning Council eventually led to a connection with Patty Chavez, San Diego County Office of Education Community Outreach Consultant for PFA.

Ms. Chavez has provided guidance to the League as they meet with elected officials to effectively communicate the importance of quality preschool. They have recently recruited more members to their committee including the San Diego Regional Economic Corporation, American Academy of Pediatrics, the YMCA and representatives from PFA preschool providers. The League has scheduled several more tours through 2012.
